Your home on the Costa del Sol

Just 3 km from the coast and the sunny beaches of the Axarquía (Eastern Costa del Sol), the town of Algarrobo (Málaga) enjoys growing interest from international buyers.

Algarrobo has all the services: health center, pharmacy, bank, supermarkets, bars and restaurants, etc. Not being a strictly tourist place, it is especially suitable for those who love to live in an authentic social and cultural environment, where human relationships are spontaneous and natural.

This property is located in an easily accessible area of the town, very close to the public car park.

To enjoy the sunny Mediterranean climate all year round, the house offers an extra-large covered

terrace on the second floor, with views of the sea and the mountains.

Entering from the pedestrian street, there is a spacious living / dining room, a fitted kitchen, a bedroom, and a pantry.

Going up the stairs to the first floor, there is access to a very bright bedroom with a built-in wardrobe, another smaller bedroom, and a large bathroom with a bathtub.

The house is in excellent condition, so that it can be enjoyed now. However, it is understood that the new owners will want to update the kitchen and bathrooms, and transform the spaces to their liking (there are a few partitions that can be knocked down).

Considering its relative proximity to the beach and the spectacular rise in prices on the coast, it is undoubtedly an intelligent economic investment to acquire a home on the Costa del Sol.
