Luxurious Villa in Competa

The Villa is located in Cómpeta (Malaga) where the mountain character is easily reflected in their customs and traditions. This beautifies the landscape in the same way as the sets of whitewashed facades, the reddish roofs of their houses, and the narrow and steep layout of their streets. The arches and passages that spice up the urban fabric in some of its corners are another of the treasures of the White Villages of Malaga.

Villa VistaMar is a modern, luxurious Spanish Dream Home located on an elevated position with fantastic sea views, an Eco-friendly environment, a tranquil, and private area, and only a few minute's drive to the picturesque village of Cómpeta (Málaga), Costa del Sol Inland. This property has been built on 2 levels (entrance and upper level) with 5 bedrooms, 4 bathrooms (3 En-Suite), a modern & new luxury kitchen, a large swimming pool with hot & cold shower, central heating, air-conditioning, and a large detached building.
