### A must stop in the Axarquía.

Caleta de Velez is characterized by the environmental quality and extension of its magnificent beaches, as well as its promenade, a meeting point for many visitors, as well as residents of the town.

At present, it is a tourist, commercial and leisure enclave, whose gastronomic offer linked to the 'pescaíto' is part of numerous gastronomic guides.

Here is this apartment for short term rental. A flat designed to offer the best possible stay while enjoying the environment and its people.

The apartment has a living-dining room with sofa bed, separate kitchen, double bedroom and a large bathroom. Also from all rooms you can access its fantastic terrace with open views of the sea. With parking included you also don't have to worry about where to leave your car on popular beach days.
