New construction 100m from the beach

This promotion is located in the Morche, Torrox Costa. It has the best climate in Europe, because of its proximity to the Mediterranean Sea that reduces thermal amplitude; and by the shelter of the Sierra de Almirajara, a conjunction that makes the temperatures in Torrox moderate in both winter and summer. With mild winters and mild summers, the average annual temperature is at 18oC.

The new development consists of 8 apartments, with 1 and 2 bedroom apartments. The apartments are located in an unbeatable area to enjoy the beach and Mediterranean life. All apartments consist of storage room and equipped kitchens if you book your home in advance.

On the third floor, the development consists of 2 duplexes with two bedrooms with Solarium and swimming pool.
