Your dream house on the Costa del Sol!

Exclusive villa located in Algarrobo, on the Costa del Sol Oriental (Axarquía, Malaga). Near to the natural beaches of Algarrobo Costa, Torre del Mar, Torrox Costa, and Nerja, and all the contemporary amenities.

The house is in excellent maintenance condition. It has an elegant entrance with a gate, a garage, and a covered parking place. The external area counts with several chill-out corners, with plants and flowers, plus a terrace with panoramic views over the coast and mountains.

The veranda has been glazed to be enjoyed during the all year. Is one of the very few houses in the Axarquía with a mosquito net enclosure. You can sit outside without flies, wasps and other insects. It allows the circulation of fresh air. It is not a construction made of glass but of mesh. Very strong and well built by Lifestyle Enclosures from Antas. The concept comes from Florida, where most houses

have a screen enclosure which enables to sit outside without any insects. The whole house has also soft water, except the pool.

Inside, the house consists in 1 large living-dining room with fireplace and central heating, 1 full equipped kitchen with a system for drinking water directly from the tap. There are also 2 bedrooms with built-in wardrobe, and 2 bathrooms (one with bathtub, and the other one with shower). The house offers enough space to easily create a third sleeping accommodation in the living room.
